

# 7R PARK *Kielce*

## Warehouse

7R Park Kielce is a logistics and industrial property offering functional warehouse and office space for a range of business operations. The property is suitable for logistics, distribution, e-commerce and light industrial activities, providing flexible space that can accommodate different operational requirements. The development combines efficient warehouse layouts with supporting office and social areas. Its functional specification provides a practical environment for both storage and day-to-day operational activities.

GLA

BREEAM  
Certification

Chęciny  
Location

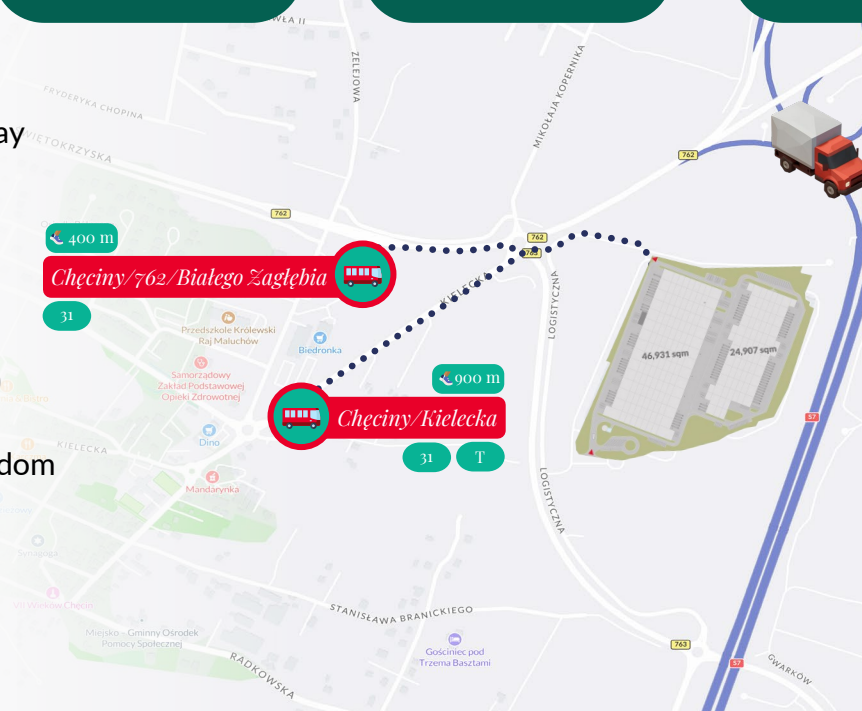

3,500 sq m  
Minimum module

2.6 km  to S7 expressway

15.4 km  to Kielce  
city centre

18.5 km  to National  
Road 74 (DK74)

96.3 km  to Warsaw - Radom  
Airport

## Location

7R Park Kielce is located in the western part of Kielce, with convenient access to the S7 expressway and the city's main transport routes. The location provides efficient connections towards Warsaw and Kraków, as well as other key markets in Central and Southern Poland. Its position within the Kielce urban area also provides access to the local labour market and supporting business infrastructure. The site is well positioned to support both regional distribution and operations serving a wider national network.
